

KEISER CARDIO

M3i *lite* INDOOR BIKE

Model 5502

THE ADVANCING STANDARD

The popularity of our Integrated Technology, introduced in our M3i Bike, drove us to offer it on one of our lower models. The M3i lite features everything you get in our M3 Bike, plus all the benefits of our Integrated Technology. Keiser's M3i lite and M3i Bikes are the only group cycling bikes on the market that can transmit to multiple Bluetooth® devices at once.

KEISER M SERIES BIKE PEDAL

With our game-changing bike pedal, Keiser has again revolutionized indoor cycling down to the last detail. New pedal features include:

- Stronger bearings tested for static and dynamic loads
- Cage integrated into pedal design, not just added on
- Ramped barbs for secure and simple foot placement
- Curvature eliminating pressure points on the rider's foot
